

Bucharest University of Economic Studies

Date: 31.01.2025

ANNOUNCEMENT

Bucharest University of Economic Studies is currently holding a selection process for **two Postdoctoral researcher** positions within the *“IDA Institute of Digital Assets” project, code number 166/15.11.2022*

The employment offered for this position is part-time, with a maximum of **80 working hours** per month, which may be unevenly distributed.

The gross hourly wage for this position is **120,75 lei** per hour.

The individual employment contracts will be concluded for a fixed period until **June 30, 2026** (with a possibility for extension).

A. To participate in the recruitment and selection process, candidates must meet the following general and specific conditions:

1. General conditions:

- a) has Romanian citizenship, citizenship of other member states of the European Union, of states belonging to the European Economic Area and/or foreign states as defined by art. 2 lit. a) of GEO 194/12.12.2002 with subsequent amendments and completions, respectively persons who do not have Romanian citizenship, citizenship of another EU member state or citizenship of the Swiss Confederation;
- b) has the minimum age regulated by the legal provisions;
- c) has full capacity;
- d) has a relevant state of health for the position he is applying for.
- e) meets the conditions of education and, where appropriate, seniority or other specific conditions by the requirements of the post to be filled;
- f) has not been convicted of a crime against humanity, against the State or authority, or of an offence committed in the course of or in connection with the performance of his or her duties which obstructs the course of justice, or forgery or corruption, or of an offence committed with intent which would make him or her incompatible with the performance of his or her duties, unless he or she has been rehabilitated.

2. Specific conditions:

- a) level of studies: higher education completed with master's degree;
- b) area of studies: economics, business administration, cybernetics and statistics, economic informatics, finance, or similar;
- c) Other specific conditions:

Mandatory condition: The candidate must hold a doctorate and have research experience of no more than 8 years full-time equivalent, from the date of obtaining the first doctorate, but not more than 10 years full time equivalent under the conditions laid down by the European Research Executive Agency (REA).

The date of obtaining the first doctoral degree is calculated according to the date of the appeal.

In the case of the present selection process, the date of obtaining the first doctorate (the date of the ministerial order) must not be earlier than 15.09.2014

Specific Requirements

- i. Collect, preprocess, and analyze financial datasets related to digital assets and the broader financial sector.
 - ii. Support the publication of research findings and software tools related to financial data analysis in the DA ecosystem.
 - iii. Work with the data analytics and dissemination IDA team for research publications and reports.
 - iv. Participate in workshops and seminars.
- d) Skills/Qualifications
- i. Ph.D. degree in economics, finance, data science, statistics, or a related field.
 - ii. Familiarity with digital assets, blockchain technology, and the financial sector.
 - iii. Strong analytical and problem-solving skills to derive insights from complex financial data;
 - iv. Experience with data scraping techniques and data APIs;
 - v. Excellent written and verbal communication skills.
 - vi. Excellent communication and collaboration skills to work effectively with a multidisciplinary team.

B. The recruitment and selection process will consist of:

Step 1: Evaluation of the files submitted by the candidates;

Step 2: Structured interview (if there are not at least 2 candidates, the selection committee may decide to simplify the procedure and make the selection without the interview stage):

- *The date and time of the interview* will be communicated concurrently with the results of the evaluation of the files submitted by the candidates;
- *The place of the interview* will be communicated simultaneously with the results of the evaluation of the files submitted by the candidates.

The evaluation samples are eliminatory; the minimum score to be obtained for each sample is 50 points.
