

Bucharest Academy of Economic Studies

Date: **02nd of March, 2026**

ANNOUNCEMENT

Bucharest University of Economic Studies is currently holding a selection process for **three Postdoctoral Researcher 5 / Postdoctoral Researcher 6 / Postdoctoral Researcher 7 positions** within the project „JobKG – A Knowledge Graph of the Romanian Job Market based on Natural Language Processing”, grant contract no. 178/31.07.2023.

The employment offered for this position is part-time, with a maximum of **80** working hours per month, which may be unevenly distributed.

The gross hourly wage for this position is **120,75 lei/ hour**.

The individual contract of employment will be concluded for a fixed-term period of time until the **30th of June, 2026**.

A. In order to enter the selection, candidates need to fulfil the following general and specific conditions:

1. General conditions:

- a) has Romanian citizenship, citizenship of other member states of the European Union, of states belonging to the European Economic Area and/or foreign states as defined by art. 2 lit. a) of GEO 194/12.12.2002 with subsequent amendments and completions, respectively persons who do not have Romanian citizenship, citizenship of another EU member state or citizenship of the Swiss Confederation;
- b) has the minimum age regulated by the legal provisions;
- c) has full capacity;
- d) has a relevant state of health for the position he is applying for.
- e) meets the conditions of education and, where appropriate, seniority or other specific conditions by the requirements of the post to be filled;
- f) has not been convicted of a crime against humanity, against the State or authority, or of an offence committed in the course of or in connection with the performance of his or her duties which obstructs the course of justice, or forgery or corruption, or of an offence committed with intent which would make him or her incompatible with the performance of his or her duties, unless he or she has been rehabilitated.

2. Specific conditions:

- a) level of studies: higher education completed with a PhD;
- b) area of studies: economics/ business administration/ cybernetics and statistics/ economic informatics/ finance/ statistics/ accounting or similar;
- c) **Mandatory condition:** *the candidate must hold a PhD degree and have research experience of no more than 8 full equivalent years, from the date of obtaining the*

first PhD degree(the date of the ministerial order), but without exceeding 10 full time equivalent years under the conditions as stated in the European Research Executive Agency(REA).

The date of obtaining the first PhD is calculated according to the date of call.

Responsibilities:

- to carry out advanced research activities in the fields that are related to the theme of the project, like artificial intelligence, semantic technologies, big data and digitization of the labor market;
- to contribute to the design, development and implementation of the JobKG knowledge graph;
- qualitative and quantitative analysis of the labor market using statistical methods and data analysis tools;
- development or application of the agent based models for the simulation of „ what-if“ scenarios of the evolution of the labor market in Romania;
- to investigate the impact of automation, digitization and AI on business models and on the structure and dynamic of the workforce;
- to participate in the collection, cleaning, annotation and publication of project-specific datasets;
- to publish research results in renowned academic journals and to have communications at conferences/ workshops;
- to actively contribute to the dissemination of the results of the research project through scientific and communication actions;
- effectively collaborate within the multidisciplinary project team, by integrating the complementary expertise;
- involvement in technological transfer activities, innovation and valorification of the results of the research, with accent on the socio-economic impact of the research.

Requirements:

- **Doctor** title in a relevant field such as: economics, business administration, cybernetics and statistics, finance, statistics, accounting or other similar fields;
- Advanced knowledge in at least two of the following fields of the project's topic
 - Artificial Intelligence and machine learning
 - Data analysis and advanced statistics
 - Semantic technologies and/ or Big Data
 - Economic and social transformations related to digitization
- Experience when it comes to programming(preferably Python) and in the use of modern tools
- Capacity for interdisciplinary analysis of the labor market and of the impact of technology on society
- Autonomy in organizing and planning research activities
- Availability for active involvement withing the team and the project's activities.

B. The selection process will consist of:

Step 1: Evaluation of the files submitted by the candidates;

Step 2: Structured interview (if there are not at least 2 candidates, the selection committee may decide to simplify the procedure and make the selection without the interview stage):

- *The date and time of the interview* will be communicated concurrently with the results of the evaluation of the files submitted by the candidates;
- *The place of the interview* will be communicated simultaneously with the results of the evaluation of the files submitted by the candidates.

The evaluation samples are eliminatory; the minimum score to be obtained for each sample is 50 points.

C. Topics and bibliography:

1. Topics:

1. Innovation;
2. Artificial Intelligence;
3. Digital business models;
4. Labor and society;
5. Digitalization and the future of jobs;
6. Semantic technologies and Big Data for the modelling of the Romanian job market;
7. Multidisciplinary approaches for understanding the labor market in Romania;
8. Qualitative and quantitative analysis, based on statistical analysis and data analysis;
9. Agent-based modelling;
10. Data-based „what- if” prediction models for simulating the labor market in Romania.

D. Contents of the competition file to be submitted by candidates:

1. A record of the enclosed documents
2. Application for the recruitment and selection process addressed to the Rector of ASE;
3. Copy of the identity document or any other document attesting the identity, according to the law, as the case may be;
4. Copy of marriage certificate or proof of name change, if the candidate changed his name (proof of name change);
5. The criminal record or a self-declaration that it has no criminal record that makes it incompatible with the position for which it is applying;

6. Medical certificate attesting the appropriate health status issued no more than 6 months prior to the selection by the family doctor of the candidate or by the competent medical units, or the declaration on its own responsibility, with the obligation to fill in the selection file with the medical certificate at the latest by the date of the first test of the recruitment and selection process, if applicable
7. Declaration on own responsibility if the candidate has or does not have a husband/wife or relatives and affines, up to the III-th degree inclusively, who are employees of the Academy of Economic Studies of Bucharest in a position of leadership, control, authority with the post taken out for selection and not the post, to which they apply, is not in a position of leadership, control, authority with husband/wife or relatives, up to and including III degree, employees of the University;
8. Statement for the processing of personal data;
9. Curriculum vitae in European format (www.cveuropean.ro/cv-online.html) – signed and dated on each page;
10. Copies of documents that certify the completed level of education and any other additional documents that attest to the completion of specializations, as well as copies of documents certify the fulfilment of the specific conditions required for the position, as outlined in Chapter A, point 2.

E. Contact information:

The selection files are due on the **10th of March, 2026, by 16h00**, at the BUES Registrar's Office, located in the „ Ion Angelescu” Building, Căderea Bastiliei Street, ground level, room 0016 or online using the email adresses of the contact people below.

Contact people:

- Prof. univ. dr. Liviu Adrian Cotfas(email: liviu.cotfas@ase.ro);
- Conf. univ. dr. Petre Caraiani(email: petre.caraiani@fabiz.ase.ro).

F. Recruitment and selection calendar:

No. crt.	ACTIVITY	Date
1.	Posting the announcement	02.03.2026
2.	Submitting the candidates' competition files at the ASE Registrar's Office	10.03.2026
3.	Selection of application files by the members of the competition committee	11.03.2026 -12.03.2026
4.	Publication of the results of the selection of the application files	13.03.2026
5.	Submission of appeals regarding the results of the selection of application files	16.03.2026

6.	Publication of the results of the appeals	17.03.2026
7.	Interview	18.03.2026
8.	Communication of the results after the interview	19.03.2026
9.	Submission of appeals regarding the interview results	20.03.2026
10.	Publication of the results of the appeal	23.03.2026
11.	Publication of the final results	23.03.2026
12.	Appointment to the position	After approval from the Board of Trustees
